

## Graphic Designer

Words At Work seeks a creative Graphic Designer with 5+ years of experience creating interactive and print communication for integrated marketing campaigns. Our firm has a long client list and a reputation for producing exceptional content on a wide range of topics, so being self-directed and curious is important.

## Responsibilities

- Provide high-quality, creative layouts in a wide variety of brand styles
- Work collaboratively in a team environment with copywriters and account managers
- Ensure that creative execution meets or exceeds client expectations
- Maintain strong client loyalty through excellent service and solid creative as well as on-budget performance

## Experience and Abilities

- 5+ years of strategic-driven design
- BFA, BA or BS in graphic design
- Strategic, conceptual thinker with ability to communicate at executive levels
- A strong portfolio with a mix of business-to-business and consumer
- Demonstrated knowledge of key design, interactive and production disciplines
- Mac proficient in Adobe Creative Suite, Microsoft Office (Word and PowerPoint)
- Familiarity with modern platforms of motion graphics and web standards (HTML 5)
- Work well under pressure on rapidly changing projects
- Self-starter, strong organization and project management skills

## About Words At Work

Founded in 1988, Words At Work is a collaborative, entrepreneurial firm committed to helping its clients build strong, profitable brands. Clients utilize us as a full-service marketing agency. They can also look to us for selected services, such as brand strategy, content marketing, website development, sales enablement, demand generation, social media and public relations.

Our compensation program includes market-competitive salaries, a generous bonus plan based on company and individual performance, and a 401(k) retirement plan. Employee medical, dental, disability and life insurance are 100-percent employer paid.
